## **Arrowhead Research to Present at 2012 Webbush PacGrow Life Sciences Management Access Conference**

PASADENA, Calif. — August 9, 2012 — Arrowhead Research Corporation (NASDAQ: ARWR), a targeted therapeutics company, today announced that its President and Chief Executive Officer, Dr. Chris Anzalone, will present a company overview at the 2012 Webbush PacGrow Life Sciences Management Access Conference on Tuesday, August 14th at 4:15 pm Eastern time at Le Parker Meridien Hotel in New York City.

A live webcast of the presentation can be accessed by visiting the News & Events section of the company's website, <http://www.arrowheadresearch.com/presentations>. A replay will also be archived on the website and available for 60 days.

### **About Arrowhead Research Corporation**

Arrowhead Research Corporation is a clinical stage targeted therapeutics company with development programs in oncology, obesity, and infectious disease. The company leverages its platform technologies to design and develop peptide-drug conjugates (PDCs) which specifically home to cell types of interest while sparing off-target tissues, creates targeted drugs based on the gene silencing RNA interference (RNAi) mechanism, and works with partners to create improved versions of traditional small molecule drugs.
