PASADENA, Calif. — November 12, 2012 — Arrowhead Research Corporation (NASDAQ: ARWR), a targeted therapeutics company, today announced that Dr. Chris Anzalone, President and Chief Executive Officer, will present a corporate overview at the 18th annual BIO-Europe international partnering conference on Tuesday November 13that 3:30 pm in Hamburg, Germany. BIO-Europe is the preeminent partnering conference serving the global biotechnology industry, with this year's event drawing 3,000 industry attendees from over 30 countries, representing close to 1,800 companies.

About Arrowhead Research Corporation

Arrowhead Research Corporation is a clinical stage targeted therapeutics company with development programs in oncology, obesity, and infectious disease. The company leverages its platform technologies to design and develop peptide-drug conjugates (PDCs) which specifically home to cell types of interest while sparing off-target tissues, creates targeted drugs based on the gene silencing RNA interference (RNAi) mechanism, and works with partners to create improved versions of traditional small molecule drugs.
